ERGANTA COCONUT

ERGANTA COCONUT is an international company based in Indonesia that focuses on coconut derivatives. Our flagship products include coconuts, coconut shells, coconut charcoal, coconut desiccant, coconut oil, coconut chips, coconut milk, and other premium products made from coconut.

Our office is located in Surabaya with farmers spread throughout Indonesia.

VISSION

- To become an agricultural industry that provides quality, safe, and high-quality products that prioritize customer satisfaction.

MISSION

- Creating a village environment that adapts to renewable technologies.
- Providing the widest possible space for the young generation of the village to actualize themselves on a local and global scale.
- Always offer the best service by paying attention to what clients want and need
